Items at a glance!

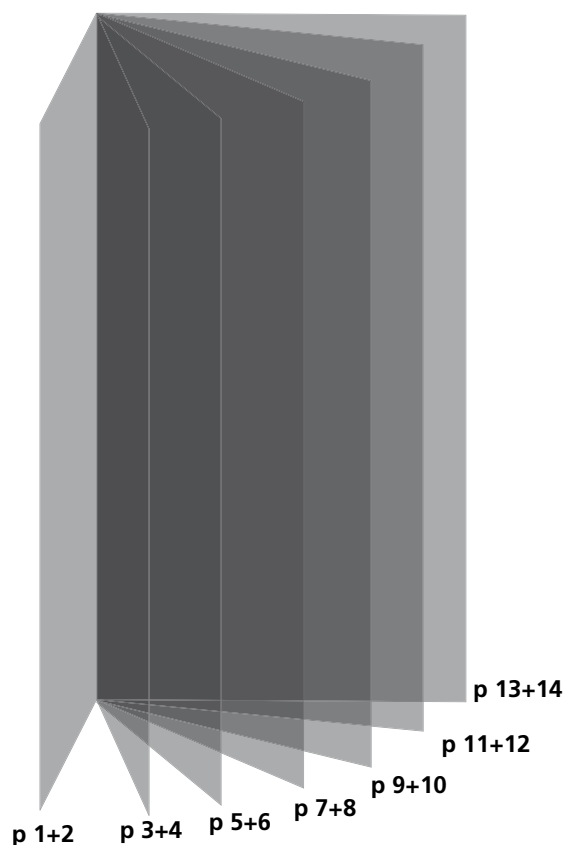

Did you know that in your folder we can make your products stand out with a well-organised sub-division that makes things clear for the client? Making your choice is child's play!

You want to use an original concept in your new folders, but still like to keep things well-organised. Then choose a folder with shortened pages, like the cascade folding method. Thanks to its specialised knowledge of gluing and folding methods, Group Mercator Press offers a range of possibilities where short and long pages can be used alternately. Playing around with your prices and products is now as easy as one, two, three!

Would you like a folder made exactly according to your specifications? Then Group Mercator Press is your answer!
